

## HEAVEN

Would you like to go to Heaven when you die?

Is Heaven a real place or just an imaginary place?

Would you like being in Heaven, or do you just not want to go to hell?

All of these questions will come to us at some time or other since we all know that we can't live on earth forever.

### HEAVEN IS A REAL PLACE

God's Word the Bible tells us about this wonderful place. Let's learn about it together.

It is a **place** for Jesus said ". . . I go to prepare a place for you." And whatever Jesus says is so.

The best part of this wonderful place is that **Jesus** will be there.

In Heaven you will be able to see and talk to **angels**.

There will be **trees** there but most unusual trees that have 12 different kinds of fruit on each one. Won't that be special.

Of course the Bible will be there since God's Word will last forever, but there will be another book there called the

### BOOK OF LIFE.

In that book will be all the names of those who have accepted Jesus as their Savior while they lived on earth. ( **Will your name be in that book?**)

Are you excited about going to Heaven? Now we must discover another truth.

### SOME THINGS AND SOME PEOPLE WILL NOT BE THERE.

There will be no **sun** nor **moon** there since Jesus will be the light of Heaven.

There will be no **tears** in Heaven.

There will be no **sickness** so there will be no need for medicine.

There will not even be one **church** there since we can all worship God together and fellowship with saved people all the time after all **only saved**

### people will be there.

One thing that won't be in Heaven should be very special to us:

no **death** will be there, and thus no cemeteries.

The last thing that won't be there will make some of us very happy and some very sad: that is **sin**. There will be no sin of any kind to make us unhappy, and there will no sinners there who never received Jesus as Savior before they died.

Dear boy or girl all of us have a choice to make while the Lord allows us to live on earth.

**We can choose to forget what Jesus did for us on the cross.** We can pretend that we can do nice things that will make God forget our sins. If we make this wrong choice we will never even see the beautiful Heaven.

**We can choose to invite Jesus into our heart** telling Him that we are sorry for our sins and that we believe that Jesus died on the cross to take away our sins that He was buried and then rose again.

If you have never asked Jesus to be your Savior, you could do so right now. If you are sorry for your sins and want Jesus in your heart, bow your head and pray this simple prayer. **Dear Jesus please forgive me for being a sinner, come into my heart and wash away all my sins with your precious blood. Please save me right now. Amen.**

Did you just now ask Jesus to be your Savior? If you did and really meant that with all your heart, He did save you and he is in your heart, and He will never leave you. Be sure to tell everyone you know that Jesus is in your heart. Be sure to let Mr. Bill know what you did so that I can be of help to you as a new Christian.
